This course will teach you how safely work with a Disc as a podiatrist.

WHY THIS COURSE?:

Our unique PodoDisc **Pedicure Course** includes:

- ◆ Speedy pedicure in just 40min.
- ◆ Exclusive oil polishing results.
- ◆ Do not require a callus softener.
- ◆ Say Goodbye for cracks
- ◆ Cheap net cost

This course will teach you all the techniques required to offer a Podo pedicure service to your clients. You will learn about the e-file features, types of the discs, how to correctly choose the abrasive for any skin type, disc size selection, treatment of hard skin, cracks solving, 3 ways of sanding & polishing, sealed membrane, and more.

Pedicure treatments are a great upsell to an existing client base and a must do treatment for all nail technicians and therapists as clients prefer to go to one therapist to have both their nails and feet treated.
